

Nashville Hub Logistics

Nashville Hub Logistics

The following page provides guidance to anyone who has registered for an in-person PMU Factory Training event located at our Schneider Electric Nashville Hub located in Franklin, TN. If you are registered for such an event, please read through these details to prepare for your upcoming training event. Email pmu@se.com with any questions or concerns.

What is PMU Factory Training?

- PMU Factory Training courses are Instructor-led events with pre-defined agendas hosted on specific dates throughout the year and available for registration by anyone interested. Students will learn various EPMS topics through a series of presentations and demonstrations, followed by extensive hands-on practice via guided lab exercises.
- Made possible by our state-of-the-art training room, each student will be assigned their own dedicated training lab station providing them with full access to our EPMS software and hardware.
- The following document provides course and logistical information specific to **In-person Classroom** events hosted at our **Schneider Electric Nashville (Franklin) Hub**.

Nashville Hub Address and Details

- Two Franklin Park - 6700 Tower Circle #700, Franklin, TN 37067
- The Schneider Electric Nashville Hub is approximately 40 minutes south of Nashville International Airport (BNA) and approximately 20 minutes south of downtown Nashville.
- When entering Franklin Park from McEwen, the Two Franklin Park Building is on the left. There is plenty of free parking in our covered parking garage, which is attached to the Schneider Electric facility. Parking for those with disabilities is available.

Training Room Details

- The PMU Training Room is in room 1000E, on the first floor across from the security desk where you must Check-In with the concierge upon arrival each day.
- [Click here](#) to watch a video and view our Wayfinding Map for more details about locating the PMU training room on your first day.

Training Center Hours and Class Times

- The Schneider Electric Nashville Hub doors open at 7am CT, however the PMU Training Room doors will not be open until 8:30 AM CT daily.
- Class will start at 9:00 AM and end at 4 PM CT daily, unless otherwise indicated during the registration process or the event.
- There will be a 1-hour break for lunch and several shorter breaks provided as needed throughout the day.

- Please arrive no later than 8:45 AM CT each day to allow time for the check-in process.
- Please book your departure flight at least 2 hours after the end time on the last day of class.

Meals & Refreshments

- A boxed lunch will be provided for each student each day of training.
- Additional snacks and beverages (coffee, water, soda, etc.) are available in the back of the training room as needed.
- Meals should not be eaten in the training room. We encourage you to enjoy your meal in Schneider Electric's open lobby (main foyer) or outdoor seating.
- If you have any special dietary restrictions, please email us at pmu@se.com at least 5 business days prior to the start date of your class.

What to bring

- There is no requirement to bring anything for a Factory PMU Training Event. Each student will be assigned to their own dedicated training lab station providing them full access to our EPMS software, hardware, and course materials. Students may bring personal devices if desired.

Upon Completion

- All registered students who have successfully completed a Factory PMU Training event will receive a certificate of completion within 10 business days from the last day of class. This certificate will contain the CEUs earned for this event.

- *Note: For our Factory EcoXpert courses that include an associated Certification Exam, this certificate will not be issued until the exam has been passed.*

Recommended Airport

- While there are others in the area, the recommended airport to use to travel to the Schneider Electric Nashville Hub is **BNA - Nashville International Aripport.**
